Hello Christian Family and Friends,

May God's grace be with you as you receive this letter. Many of you may know that myself, Robin Rose, and my family, with the help and support of the community for the last 2 years, have been able to successfully conduct a Community Outreach Thanksgiving Dinner. It was so touching to see all the smiles on people's faces as they ate their meals and talked with others. We were also able to deliver many meals to people that were unable to come to the Recreation Center.

We will be having another Community Outreach Thanksgiving Dinner on November 26, 2026, at the Coolwell Recreation Center from 12pm-3pm. This dinner will be targeted at providing a warm meal to anyone who may not be able to provide a meal for themselves and/or their family. We also want to welcome anyone who just does not have any family/friends to spend Thanksgiving with. Please share this information with anyone you may know that's in need of a meal or companionship.

We are reaching out to see if you would be interested in sponsoring this event by donating or contributing to the following items below:

- Hams/Turkeys

We will be accepting dishes/desserts if you wish to contribute at the Coolwell Recreation center the night before Thanksgiving from 5pm-7pm.

We are also recruiting people to help prepare, serve, and deliver meals. We would like to propose a "schedule" for the above to allow everyone the opportunity to be involved.

My daughter, Jasmine Rose, will announce additional information closer to the event regarding carrying out meals by pickup or delivery within the mileage range of the center. Please also contact Jasmine with how you would like to be involved with this event whether it's preparing, delivering, serving etc.
